Which character was your favorite?

Do you have access to weapons that can pierce the skin of a dragon?

What's your best idea for an interdimensional escape pod?

Have you ever talked to a saint? How about to a tree?

Would you rather talk with Oliver or Sheldon?

What's your favorite hymn?

Decorations

Let people choose their afterlife with clearly-marked exits.
Beyond that, try to think of a decorating scheme that is both elegant and practical.
Red and black balloons, for instance, are tasteful but also can be used to carry you to safety in the event all other modes of transportation are destroyed.
